

HAILO Secco Towel Rail with  
2 bars

**3132101**  
GTIN: 4007126313201

Built-in towel rail Secco Alu Line  
Many functions, easy technology, elegant outfit. The Secco towel rail may be easily installed below the work top or at the right resp. the left sidewall. The fixing of the bearing component of the elliptical holding bars is variable; so, the complete towel rail may be adjusted comfortably during installation by different lock-in positions.
