
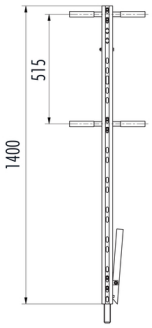
Access aid H50 comfort

9612011

GTIN: 4007126006219

The H50 Comfort access aid enables a safe entry into shaft constructions or similar by simply plugging onto the coupling piece, which is mounted at the end of the fall rail. In addition, this access aid can be rotated on the coupling piece to enable an even safer and more comfortable entry and exit.



- quick plugging on
- high security
- comfortable entry and exit
