

Rear safety vertical bar

6031351

GTIN: 4007126013958

The vertical bar completes the backrest basket. By attaching with hammer head screws to the A quick and easy assembly is possible. The backrest basket can be designed in 5, 7 or 11 positions, depending on the requirements of the operator. According to standards 14122, 18799 and 14094, a 5-way strut is sufficient.

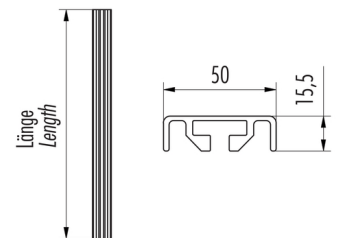

Material

Aluminium AlMgSi 0,3

Length in mm

1450

- System components for the highest safety requirements
- In aluminum, stainless steel and galvanized steel
- High quality
- Tested according to the most stringent standards and safety regulations
- Measurements: 50x15,5mm

AL, EV1
