

Mobile working platform

6010461

GTIN: 4007126017567

Safe and comfortable work platform for longer jobs on rung ladders. Easy to attach and suspend from the rung. Standing surface made of non-slip textured aluminium plate. Suitable for all rung ladders with a 280mm rung grid and 30x30mm rungs. Locks when folded, preventing inadvertent opening. Retaining bracket ensures mobility and convenience in use. Load capacity 120 kg. Meets the requirements of TRBS 2121 Part 2.

Version

for fixed vertical ladders

- work platform for longer jobs on rung ladders
